GOVERNOR

<u>Tennessee's governor</u> is popularly elected for a four-year term and serves as the chief executive officer of the state. Elected Governors can only consecutively serve for two full-length terms at a time. The governor must be at least 30 years old, a citizen of the United States, and a resident of Tennessee for at least seven years before being elected to the office.

As state managers, governors are responsible for implementing state laws and overseeing the operation of the state executive branch. The state executive branch is made up of the lieutenant governor, the attorney general, the secretary of state, and auditors and commissioners.

The governor appoints a cabinet of seven key staff members: Chief Operating Manager, Chief of Staff, Special Assistant, Senior Adviser, Communications Director, Policy Director, and Deputy to the Governor. The cabinet also includes 23 executive departments, such as the Commissioners of Agriculture, Commerce, Correction, Education, Environment, Health, Finance, Labor, and so on. Executive cabinet positions such as secretary of state, attorney general, treasurer, and lieutenant governor are chosen by popular statewide elections.

The governor is the commander-in-chief of Tennessee's National Guard and the state's militia. As the state's chief executive, the governor chairs the Tennessee Board of Regents, the University of Tennessee's Board of Trustees, and holds seats on the State Funding Board; State Building Commission; Board of Equalization; Tennessee Local Development Authority; School Bond Authority; and Tennessee Industrial and Agricultural Development Commission. Additionally, the governor appoints justices to the state, local, and appellate courts. The governor has the power to call to order special sessions, and to veto bills passed by the Tennessee House of Representatives.

BILL LEE, Tennessee (R) - Incumbent

Bill Lee is the current Governor of Tennessee. He is also the only Republican candidate on the ballot. In 2018, Lee secured 1,336,106 votes and won every county except Davidson, Haywood and Shelby. The Governor leans heavily on his faith and his business experience as both a cattle farmer and as President of Lee Company.

Policy Quickview

- Proposed and changed the state's education funding formula. The new formula,
 TISA, encourages school choice by allowing for money to follow each student and incentivizes charter schools.
- Reduced distressed counties by 52%
- Successfully recruited Ford Motor Company to invest in West Tennessee
- Secured 130 economic projects, creating 35,000 jobs
- Pro-life

Complaints

• Governor Lee has received backlash from Republicans for weak COVID-19 policy pushback, including his reluctance to call for a COVID Special Session.

US HOUSE OF REPRESENTATIVES

As part of the Legislative branch - and through legislative debate and compromise - the <u>U.S. House of Representatives</u> makes laws that influence our daily lives. The House makes up half of the Congress, the other half being the U.S. Senate. It holds hearings to inform the legislative process, conducts investigations to oversee the executive branch, and serves as a voice of the people and the states in the federal government.

While the Senate holds an equal representation for each state in Congress with the assignment of two senators per state, the House of Representatives bases representation based on population. A U.S. Congressional District is made up of about 750,000 people. Political districts' boundaries are redrawn every 10 years based on Federal census data. Tennessee redrew the U.S. Congressional districts based on the 2020 data, and the new district lines will go into effect this election year.

Though the number of U.S. House of Representative districts remains at 9, the shift in district lines led to the resignation of the 5th District's Democratic Representative, Jim Cooper. The opening has encouraged a large class of candidates to vie for representation of TN-5: the contenders include 9 bona fide Republican candidates, 1 bona fide Democratic candidate, 3 Independent candidates, and one write-in candidate (not including the 6 candidates who withdrew or were disqualified from the race).

GENI BATCHELOR, District 5 (R)

An advocate for the "citizen politician," Geni Batchelor is a first-time political candidate. Batchelor made a career of helping build businesses and wants to bring her problem-solving attitude, knowledge of practical American values, and efficient business practices to U.S. Congress.

TH HOUSE OF REPRESENTATIVES

Tennessee Representatives are elected to two-year terms with all representatives standing for election at the same time. To qualify for election to the House, one must be 21 years old, a U.S. citizen, a state resident for three years, and a resident of the county in which elected for one year immediately preceding the election. The state is divided up into 99 House districts consisting of roughly 64,102 residents each. One Representative from each is elected to represent the district. At present, 73 House members are Republicans.

Representatives bring forth bills during Tennessee's yearly General Session that are voted on to become state law. Outside of law-making power, the House has the sole power to originate impeachment proceedings against public officials, who are then brought before the Senate for trial. In such an event, the House elects three of its own members to prosecute the case before the Senate.

The Speaker of the House of Representatives is the presiding officer of the House. The Speaker is elected to a two-year term at the beginning of the 1st half of each session of the <u>Tennessee General Assembly</u>. The Speaker is second in line for succession to the governorship, after the Speaker of the <u>Senate</u>, in the event of such need. The Speaker appoints members to all committees and does not have to make committee assignments proportional to the party composition.

It is worth noting that no Republicans are on the ballot for districts 50, 51, 52, 54, 55, 56 or 58.

DIA HART, District 53 (R)

Proud American and active community member, Dia Hart has strong conservative values and is running against incumbent Jason Powell (D) in the 53rd district for the TN House of Representatives. As a pro-Constitution, pro-America, pro-freedom, pro-free market, pro-election integrity candidate, Hart hopes to represent and protect the rights of those in District 53.

Links Facebook | Email

MICHELLE FOREMAN, District 59 (R)

Michelle Foreman is currently a Tennessee Republican Party State Executive Committee Member. Her campaign is focused on tackling issues in education, government overreach, wasteful government spending and healthcare. It is worth noting that incumbent Jason Potts (D) is not running for re-election in this district.

Links Website | Twitter | Facebook | Instagram | Email

WYATT RAMPY, District 59 (R)

A proud father, husband and successful realty company founder and president, Wyatt Rampy is running for the TN House of Representatives to protect small businesses, staff and support Tennessee police departments, support parent-choice in their child's education and incentive exceptional schools. It is worth noting that incumbent Jason Potts (D) is not running for re-election in this district.

TENNESSEE SENATE

The state is divided into <u>33 senatorial districts</u> where residents elect one senator. Senators are elected to four-year terms with those from even-numbered districts being elected in the same general election, and those representing odd-numbered districts being elected two years later. Thus, about half of the 33 senators are standing for election at the same time. This year, odd-numbered districts are on the ballot. At present, 27 Republicans and 6 Democrats make up the TN Senate.

Re-election to the Senate is constitutionally permissible, as it is in the House, and there is no limit on the number of terms a legislator may serve. To qualify for election to the Senate, one must be 30 years old, a U.S. citizen, a state resident for three years and a resident of the district in which he is elected for one year immediately preceding his election. Senators bring forth bills during Tennessee's yearly General Session that are voted on to become state law.

Outside of law-making power, the Senate is given the power to try impeachment proceedings initiated by the House. Any officer of the state may be impeached, but two-thirds of the Senate must concur before removal from office occurs.

It is worth noting that no Republicans are on the ballot for district 21.

MARK PODY, District 17 (R) - Incumbent

Husband, father, grandfather, Christian and small business owner, Mark Pody has served the constituents of district 17 as their state senator for four years. He has introduced legislation such as a bill designed to override provisions that prevented Tennesseans from refusing the vaccine due to religious objection, bills to protect the unborn, and a bill restricting the use of drones by law enforcement without a warrant. Pody is uncontested in this race.

STATE EXECUTIVE COMMITTEE

Each political party of the state shall be represented by a <u>state executive committee</u>. County executive committees and other committees may be established in accordance with the rules of the state executive committee. Unless otherwise provided by party rule, the county executive committee of each political party shall consist of at least two members, a man and a woman, from each precinct, who shall be called the precinct committeeman and committeewoman. Each county committeeman or committeewoman shall be a resident of the precinct from which he or she is elected. Each state committeeman or committeewoman must be a member in good standing of the county executive committee for the county in which the state committeeman or committeewoman is a registered voter. State executive committees of each political party determine the bona fide status of party candidates who file their petition to run for an elected position to run according to their own party bylaws.

AUGUST 4 GENERAL ELECTION

GENERAL SESSIONS JUDGE DIVISION IX

The Metropolitan General Sessions Court of Nashville-Davidson County is a high volume limited jurisdiction Court that hears civil, misdemeanor, felony, traffic, environmental, and metropolitan ordinance violations. This Court is served by 11 judges that are elected to an eight year term. There are also 5 law-trained judicial magistrates that handle the probable cause hearings in the issuance of a criminal warrant and 1 referee that handles the environmental cases and other non-traffic metro ordinance violations.

BRIAN A. HOROWITZ, Tennessee (R)

Brian Horowitz is a Nashville-native and owner of the law firm <u>Wahoo Verde</u>. His practice focuses on criminal defense and misdemeanors in what Horowitz refers to as the "People's Court." He deals with minor infractions: a bar fight at Tootsies, an arrest for possession of a joint, etc.

As General Sessions Judge, Horowitz pledges to bring a more holistic approach by incorporating rehabilitative sentencing instead of handing down sentences in a one size fits all manner.

KELLI PHILLIPS, Tennessee District 4 (R)

Officially supported by the Davidson County Republican Party, Kelli Philips was the only Republican on the ballot for school board in District 4. Firmly against the mask mandates and school closures during Covid-19, Phillips is running to bring a voice to the school board that represents other parents who were frustrated with the same overreach.

CHARTER AMENDMENTS

AMENDMENT NO. ONE

This amendment makes it much more difficult for the Metro Charter to be amended by petition. If citizens want to file an amendment that makes changes to the Metro Charter, it will require signatures from 10% of those registered to vote in Davidson county within 90 days. The current requirements are that a petition must be signed by 10% of the number of voters who cast ballots in the previous general election. This means that, if ratified, the number of signatures required would be much higher than before. An example of when citizens exercised this right was when 14k people signed a petition against the 34% property tax increase. This new amendment would make it very difficult to get enough signatures to petition anything passed by Metro council.

Options

For Ratification: This would significantly increase the amount of signatures required to file a citizen petition.

Against Ratification: This would keep the amount of signatures required to file a citizen petition the same as it has been.

AMENDMENT NO. TWO

This changes the physical fitness requirements for police officers and would modify citizenship requirements for the police department to be consistent with state law. The current fitness standard for new officers is equivalent to the requirements of the U.S. military. The lower physical standard would open the field for experienced officer candidates (such as those in their 30s) and give them a better chance of meeting the physical requirements. Though this might seem worrisome, the physical standards currently held are extremely high and are designed for 18 year olds entering the military. The "lower" physical standards are still high and set to ensure physical preparedness of the police officers. The citizenship requirements allow for skilled candidates, such as

those who worked alongside the American Military in foreign countries like Iraq, to apply to become a policy officer. With a shortage of Metro Police, this amendment is designed to open up the pool to a larger number of skilled candidates.

Option:

For Ratification: Increases the pool for eligible police officers.

Against Ratification: Keeps the standards the same.

AMENDMENT NO. THREE

This amendment would add a position to the Board of Health and would distinguish between the Board of Health and the Department of Health. It also allows changes to requirements for the Director of Health so that they do not have to be a medical doctor.

Options

For Ratification: This would put the Department of Health under the thumb of the Board of Health whose director can potentially be a non-medical professional.

Against Ratification: This would keep the Department of Health the same, with no distinct separation between the department or the board.

AMENDMENT NO. FOUR

This amendment creates the Department of Transportation and Multimodal Infrastructure (NDOT) and replaces the Department of Public Works. NDOT will be the official transportation department and the other services that were carried out under the umbrella of the Department of Public Works will continue to be provided by the Metropolitan Government.

Options

For Ratification: NDOT will formally become the department for transportation in Metro Government. Council members have expressed that the ambiguity of the Department of Public Works makes it difficult to accomplish certain tasks. Creating an official department of transportation in Metro was a goal of Mayor Cooper's office.

Against Ratification: NDOT will not become an office bureaucratic department in Metro Government.

JUDICIAL RETENTION QUESTIONS

Judicial retention questions are retain-or-replace votes for judges at the end of their term. In order for a judge to be replaced, more than 50% of all registered voters must vote "replace." The governor appoints judges and the state legislature confirms them.

TENNESSEE SUPREME COURT

The Tennessee Supreme Court is the state's court of last resort and has five judgeships. Justices are appointed by the governor with the assistance of a commission with a majority of members selected by the governor. The court consists of five judges serving 8-year terms.

CHARTER AMENDMENT NO. 1

SUMMARY

The amendment would modify the process for amending the Charter of the Metropolitan Government of Nashville and Davidson County by a resolution of the Metropolitan Council or a petition of registered voters. The amendment would define the membership and duties of the Charter Revision Commission, which would include review of all proposed Charter amendments and certification of qualifying amendments submitted by petition. The amendment establishes required elements for proposed Charter amendments and deadlines for placing a Charter amendment on a ballot. The amendment provides that a petition certified by the Charter Revision Commission shall be signed by at least ten percent of registered voters within ninety days after the certification in order to be placed on a ballot.

FULL LANGUAGE

Article 19 of the Charter of the Metropolitan Government of Nashville and Davidson County is amended by deleting it in its entirety and replacing it with the following:

Sec. 19.01. - Amending the Charter

This Charter may be amended by (a) adoption of a resolution by the council or (b) petition meeting the requirements of section 19.03, where such resolution or petition has been approved by referendum election conducted pursuant to section 19.04. Amendments may also be adopted in such other manner as may be provided by general law for amending the Charter of a metropolitan government.

Sec. 19.02. - Amendment by Council Resolution

- (a) The council may initiate amendments to this Charter by resolution, which for each amendment shall contain (1) the title of the proposed amendment; (2) an explanatory summary of the proposed amendment not to exceed two hundred (200) words; (3) the text of the proposed amendment; and (4) a statement of the financial impact of the proposed amendment. A proposed amendment cannot contain more than one subject as determined using the standard provided in Article 2, Section 17 of the Tennessee Constitution. A proposed amendment cannot be identical or substantially similar to a proposed amendment rejected by the voters of Nashville-Davidson County at an election held within two (2) years before the resolution was filed.
- (b) Prior to adopting such resolution, the council shall submit the resolution to the charter revision commission for review. No later than thirty (30) days after receipt of the resolution, the Commission, acting in an advisory capacity, shall provide the council its report and recommendations on the resolution, including whether the proposed amendment satisfies the requirements in this Charter, including Section 19.03(c) for certification of a petition.
- (c) A resolution to amend this Charter must receive an affirmative vote for adoption by not less than two-thirds of the membership to which the council is entitled. Such resolution when adopted need not be submitted to the mayor for approval.
- (d) The council shall not adopt a resolution proposing amendments to this Charter more often than twice during the term of office of members of said council.
- (e) The council shall not adopt, except pursuant to section 18.06 of this Charter, a resolution which proposes an amendment that redistricts the councilmanic districts unless the same be incidental to a proposed change in the number of such districts.

Sec. 19.03. - Amendment by Petition

- (a) The registered voters of Nashville-Davidson County may initiate an amendment to this Charter by petition. No more than one referendum initiated by petition to amend the Charter shall be placed on a ballot within any two-year period.
- (b) Before a petition may be circulated, at least one registered voter of Nashville-Davidson County shall file the petition with the metropolitan clerk: (1) the title of the proposed amendment; (2) an explanatory summary of the proposed amendment not to exceed two hundred (200) words; (3) the text of the proposed amendment; and (4) a statement of the financial impact of the proposed amendment.
- (c) The charter revision commission shall certify whether the petition satisfied the requirements of this Section 19.03(c) within thirty (30) days after the filing of the documentation required by Section 19.03(b). The petition shall not be certified if: (1) controlling legal authority establishes that the proposed amendment is unconstitutional; (2) the proposed amendment facially conflicts with or is inconsistent with federal or state law; (3) the substance of the proposed amendment is not subject to a referendum under state law or this Charter; (4) the proposed amendment fails to convey a reasonable certainty of meaning; (5) the proposed amendment contains more than one subject as determined using the standard provided in Article 2, Section 17 of

AUGUST 4, 2022

the Tennessee Constitution; (6) the subject of the proposed amendment is not clearly expressed in its title; or (7) the petition or amendment fails to satisfy other requirements under this Charter or the Metropolitan Code.

The individual or individuals filing the petition shall have fifteen (15) days to cure any defects in the petition or amendment identified by the charter revision commission by filing the revised petition in proper form with the metropolitan clerk. The commission shall determine within fifteen (15) days whether or not to certify the revised petition.

- (d) A decision by the charter revision commission to certify or not certify a petition may be appealed to the Chancery Court for Davidson County upon the filing by any affected party of petition for common-law writ of certiorari within thirty (30) days after the decision of the charter revision commission.
 - If no timely action has been filed challenging its decision to certify a petition, the charter revision commission shall notify the individual or individuals filing the petition and file the petition with the metropolitan clerk, at which time the petition may be circulated for signatures.
- (e) Petitions shall be signed by at least ten percent (10%) of those registered to vote in Nashville-Davidson County as of the date on which the charter revision commission files the certification of the petition with the metropolitan clerk. The disqualification of one (1) or more signatures shall not render a petition invalid, but shall disqualify such signatures from being counted towards the minimum number of signatures required. Each petition shall contain only the following: (1) the petition language certified by the charter revision commission; (2) the genuine signature and address of registered voters; (3) the printed name of each signatory; and (4) the date of signature.
 - Completed petitions shall be filed with the metropolitan clerk within ninety (90) days after the charter revision commission files the certification of the petition with the metropolitan clerk. The filing of any legal action regarding the petition after the certification has been filed with the metropolitan clerk shall not extend this deadline.
- (f) The metropolitan clerk shall immediately deliver the completed petitions to the Davidson County Election Commission. The Davidson County Election Commission shall verify: (1) the genuine signature; (2) that the current address matches the voter's registered address; (3) the printed name; and (4) that the date of signature of each person who signed the petition is after the charter revision commission's certification to the metropolitan clerk; and (5) that each person who signed the petition is a current registered voter of Nashville-Davidson County. The commission shall not verify or count signatures appearing on petitions that do not strictly conform to the petition language certified by the charter revision commission.

Within thirty (30) days after receiving the completed petitions from the metropolitan clerk, the Davidson County Election Commission shall publicly certify the number of current registered voters of Nashville-Davidson County who signed the petition. The Commission shall file with the metropolitan clerk a written certification of the number of eligible registered voters of Nashville-Davidson County who signed the petitions. The signed petitions shall remain in the custody of the Davidson County Election Commission and shall be deemed to be county public records available for inspection or copying by any interested party in accordance with applicable laws.

The Davidson County Election Commission's action on the petitions may be appealed to the Chancery Court for Davidson County upon the filing by any affected party of a petition for common-law writ of certiorari within thirty (30) days after the Davidson County Election Commission files its certification with the metropolitan clerk.

Sec. 19.04. - Referendum Election

- (a) Any referendum on amending the Charter that complies with the requirements in Section 19.02 or 19.03 shall be placed on the ballot for the next regularly scheduled August or November metropolitan, county, or state general election occurring more than ninety (90) days after the Davidson County Election Commission's certification of the signatures.
- (b) The Davidson County Election Commission shall prepare the referendum ballot in strict compliance with this Charter, applicable ordinances, and the charter revision commission's requirements governing the form and content of the ballot. The Davidson County Election Commission shall not alter the wording or substance of the language described in section 19.03(b) as approved by the charter revision commission except as such alteration is approved by the charter revision commission. The Davidson County Election Commission shall file the referendum ballot with the metropolitan clerk at least seven (7) days before such ballot is finalized for review by the charter revision commission.

AUGUST 4, 2022

The ballot shall include the explanatory summary of the proposed amendment approved by the charter revision commission. The ballot shall provide the voters a choice to vote "For Ratification" and "Against Ratification" of each proposed amendment. To assure that the public is fully apprised of the proposed amendment, the Davidson County Election Commission shall post the text of the proposed amendment in a conspicuous place in each polling place and shall publish the proposed amendment on its website and in print in a newspaper of general circulation within Davidson County and digital media. The notice of the referendum and the form of the question and its place on the ballot shall comply with the state laws governing the form of ballots and the arrangement of material on the ballot. The cost of the referendum shall be paid out of the general funds of the Metropolitan Government.

(c) Each proposed amendment shall be ratified when a majority of the votes cast at the referendum election shall be in favor of ratification and shall be rejected when a majority of said votes is not cast in favor. The Davidson County Election Commission shall canvass the returns and certify the results to the Secretary of State, who shall issue a proclamation showing the results of the referendum on the ratification or rejection of the proposed amendment to this Charter. One copy of the proclamation shall be attached to the copy of this Charter previously certified to the Secretary of State and one copy shall be delivered to the metropolitan clerk who shall attach the same to the copy of the Charter in his or her custody.

Sec. 19.05. - Charter Revision Commission Authorized

- (a) There is hereby created and established a metropolitan charter revision commission. The commission shall consist of seven (7) members who shall serve without compensation. The members of the commission shall be appointed by the mayor and confirmed by a majority vote of the whole membership of the council. The seven (7) members shall serve terms of four (4) years each. Members serving when this provision is adopted shall continue to serve through the end of their terms.
- (b) The commission shall have the following powers and duties: (1) to make recommendations to the council with respect to amendments to the Charter; (2) to prescribe and oversee the form, facial validity, preparation and circulation of petitions to amend the Charter; and (3) approve the form of referendum ballots to amend the Charter to enable the public to vote either in favor of or against a proposed Charter amendment in an informed way. In exercising these powers and duties, the commission shall have the authority to hold hearings, compel the attendance of witnesses and the production of books, papers, and records pertinent to the hearing, and administer oaths to witnesses. If any person fails or refuses to obey a reasonable order for attendance or reasonable order for production of books and papers, the commission may apply to chancery court for an order requiring the order of the commission to be obeyed. The charter revision commission shall adopt and prescribe standard forms and procedures governing petitions to amend this Charter consistent with this Article, the council's ordinances, and other applicable legal requirements.

Sec. 19.06. - Implementation and Strict Construction

The council shall adopt as necessary any ordinance to implement this Article consistent with this Charter and other applicable legal requirements. This Article, ordinances and procedures implementing this Article, and other applicable legal requirements for referendums to amend the Charter of the metropolitan government shall be strictly construed. Those seeking to initiate amendments by resolution or petition must strictly comply with these requirements.

CHARTER AMENDMENT NO. 2

SUMMARY

This amendment would require that police department employees meet physical qualifications set by the civil service commission instead of requirements for admission to the United States Army or Navy.

This amendment would further update U.S. citizenship requirements to reflect Tennessee state law.

FULL LANGUAGE

I. Section 8.208 of Article 8, Chapter 2 of the Charter of the Metropolitan Government of Nashville and Davidson County shall be amended by deleting the provision in its entirety and substituting in lieu thereof the following new provision:

AUGUST 4, 2022

Sec. 8.208. Qualifications of personnel.

After the effective date of this Charter, no person shall be eligible to appointment to any position in the department except as a regular salaried employee in the classified service. Every appointee shall be a citizen of the United States of America unless otherwise allowed under Tennessee state law; shall meet such physical requirements as shall be prescribed by the civil service commission; and shall comply with all applicable rules and regulations of the civil service commission.

To determine whether applicants for positions in the department possess the required physical qualifications, the chief medical director may provide for conducting physical examinations and report his or her findings to the civil service commission.

CHARTER AMENDMENT NO. 4

SUMMARY

This amendment would create the Department of Transportation and Multimodal Infrastructure and define its functions by focusing on transportation and other activities occurring within the public rights of way. The Department of Transportation and Multimodal Infrastructure will replace the Department of Public Works. The Metropolitan Government will continue to provide all the services of the former Department of Public Works.

FULL LANGUAGE

Chapter 4 of Article 8 of the Charter of the Metropolitan Government of Nashville and Davidson County is amended by deleting it in its entirety and replacing it with the following:

CHAPTER 4. - DEPARTMENT OF TRANSPORTATION AND MULTIMODAL INFRASTRUCTURE

AUGUST 4, 2022

Sec. 8.401. - Created.

There shall be a department of transportation and multimodal infrastructure, which shall consist of the director of transportation and multimodal infrastructure and such other officers and employees organized into such divisions and other units as may be provided by ordinance or by the orders of the director consistent therewith and approved by the mayor.

Sec. 8.402. - Functions.

The department of transportation and multimodal infrastructure shall be responsible for:

- (a) The design, construction, maintenance, repair, management and cleaning of roads, highways, streets, alleys, other public places, bridges, viaducts, and other related structures.
- (b) Control of the servicing, maintenance and repair of automotive equipment, except as the same by ordinance may be assigned in whole or in part to another department or agency of the metropolitan government.
- (c) Construction of transportation capital improvement projects by its own employees, whenever so authorized or directed by ordinance or by the mayor.
- (d) Making and preparing such plans, specifications, estimates, surveys, maps, designs, drawings and reports as may be requested from time to time by the council, by the mayor or by the head of any department or any board, commission or agency of the metropolitan government acting with the approval of the mayor, and supervision of the execution and performance of all contracts for capital improvement projects, the plans and specifications, for which were prepared by the department of transportation and multimodal infrastructure.
- (e) The administration and enforcement of all laws, ordinances and regulations relating to permits and licenses, for, building and construction within the public rights of way, taxicabs and other passenger vehicles for hire, parking, and public gatherings within the public rights of way; provided, that all licenses and permits issued shall be approved or regulated by such other offices, agencies or boards of the metropolitan government as may be provided from time to time by ordinance; and provided further, that the council may by ordinance transfer and assign this function to a newly created department of licenses and permits.
- (f) The design, deployment, operations, and maintenance of traffic control devices on local roads and conventional state routes in Davidson County, except for certain devices within the incorporated cities that are owned by those cities. This includes the maintenance of all regulatory and warning signs on conventional state routes, to the extent not handled by the Tennessee Department of Transportation.
- (g) Such other powers and duties as are assigned to the department by this Charter or may be assigned thereto by ordinance or by action of the mayor.

Sec. 8.403. - Supervision, certification, and approval of payment for certain capital improvement projects.

Unless otherwise specifically provided for in this Charter, no payment upon any contract for transportation capital improvement projects or any capital improvement projects within the public rights of way shall be made by the metropolitan government without the written certification of the director of transportation and multimodal infrastructure that the work or the portion thereof for which such payment is to be made has been satisfactorily performed in accordance with the terms of such contract. Unless otherwise specifically provided in this Charter, when the plans and specifications for any transportation capital improvement project or any capital improvement project in the public rights of way have been prepared by some person or agency other than the department of transportation and multimodal infrastructure, the performance of the contract may be supervised and certification required by the department of transportation and multimodal infrastructure before payment shall be made in accordance with the terms and provisions of the contract.

Sec. 8.404. - Director of transportation and multimodal infrastructure—Qualifications and compensation.

The head of the department of transportation and multimodal infrastructure shall be the director. A permanent vacancy in the office of director shall be filled by appointment made by the mayor, subject to the civil service provisions of this Charter. He or she shall have had at least five (5) years' experience in industry or in municipal or metropolitan departments of transportation. In the

AUGUST 4, 2022

event of temporary vacancy in the office of director due to sickness, absence or other disability, a temporary appointment may be made by the mayor, subject to the civil service provisions of this Charter.

Sec. 8.405. - Same—Powers and duties.

The director of transportation and multimodal infrastructure shall have general management and control of the several divisions and units of the department. He or she shall appoint and remove, subject to the civil service provisions of article 12 of this Charter, all officers and employees of the department and shall have power to make rules and regulations for the conduct of the business of the department consistent with this Charter and the ordinances of the metropolitan government.

Sec. 8.406. - Custody of maps and plans.

The department of transportation and multimodal infrastructure shall have custody of all maps or plans or any part thereof which were on file immediately prior to the effective date of this Charter in the offices of the director of public works of the City of Nashville or the County Highway Engineer of the County of Davidson and all such maps and plans hereafter made and not expressly required by law or ordinance to be filed in some other place; provided, that all plans, records, etc., pertaining to the sanitary sewerage system which are in the custody of the department of transportation and multimodal infrastructure on the effective date of this Charter shall be turned over to the department of water and sewerage services.
