\*003628\*

(A) Means the defendant was convicted of a violent offense that occurred before the violent offense for which the defendant is to be sentenced; provided, however, that a defendant who was convicted of multiple violent offenses based on conduct that occurred contemporaneously, occurred at the same location, and represented a single continuous criminal episode with a single criminal intent shall only be considered to have a prior conviction for the offense that would result in the highest point allocation pursuant to this section;

(B) Does not include a finding or adjudication that the defendant committed an act as a juvenile that is designated as a violent offense if committed by an adult, unless the defendant was tried as an adult in criminal court pursuant to § 37-1-134, or similar statutes of other states or jurisdictions, and was convicted of the violent offense in a criminal court and sentenced as an adult; and

(C) Includes convictions under the laws of any other state, government, or country that, if committed in this state, would have constituted a violent offense. If a felony from another jurisdiction is not a named violent offense and if the elements of the felony are the same as a violent offense, the offense shall be considered a prior conviction;

(2) "Repeat violent offender" means a defendant who is convicted of a violent offense, which occurred on or after July 1, 2023, and the combination of the strikes allocated pursuant to this section for the violent offense and the defendant's prior convictions equals three (3) or more strikes; and
